

## Digital Model 661

*Casio Digital Gold Classic*

### Product Description:

Digital Model 661 is a bold reinterpretation of everyday utility with a vintage digital appeal. Crafted in a striking gold-tone finish, the watch features a square 40mm case paired with a comfortable 20mm strap. This classic piece is water resistant and powered by quartz movement with digital display functionality for date, time, and alarm settings. Ideal for users who value simplicity and a retro-modern aesthetic, Digital Model 661 makes an effortless style statement.
